# JUNIOR ACADEMY SUMMER CAMP

## 5 to 8 years

Our fast pace & energetic camp, for both boys and girls, will be a great way for these young players to kick off their Summer with Coach Denis!

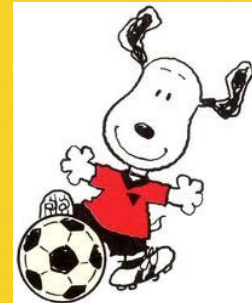

The players will practice and develop their soccer skills in a fun and exciting environment for two hours, with plenty of water breaks in between activities. Each day the players will work on different skills that will touch upon many areas of the game of soccer. These skills will include dribbling, passing, shooting, creative moves and turns, as well as scrimmaging. Parents are welcome to stay and watch, or they can drop the kids off as Coach Denis will keep them happy and busy on the soccer field.
